

**FACT SHEET**  
**¼ CENT LOCAL SALES TAX**  
**SPECIAL REFERENDUM**  
**TUESDAY, MARCH 02, 2010**

- ✓ State Budgetary Impact on the Local Level
- ✓ Loss of Revenues
- ✓ Upcoming Capital Expenses

**Why is ¼ cent sales tax a good idea?**

- ✓ Everybody benefits and everybody pays
- ✓ Sales tax will be used to lessen the need for future Property Tax increases
- ✓ 1 penny of property tax = \$120,000/yr.
- ✓ ¼ penny of sales tax = \$350,000/yr.
- ✓ Non-residents pay sales tax too, lessening the burden on property owners and elderly homeowners on fixed incomes
- ✓ THINK ABOUT IT.....IF YOU SPEND \$4, YOUR ADDED COST WOULD ONLY BE 1 SHINY PENNY!
